**BE the
GAME
CHANGER**

*Apply Business Design to
create revolutionary
healthcare
services*

**Fresh
Thinking**

*Shift your mindset to
focus on residents'
needs instead of
problems*

SOLUTIONS

Facilitated by the two multi-discipline creators of The Curious People Solutions; Alfred & Ken are professionally trained and certified by the University of Toronto's prestigious Rotman DesignWorks in Business Design (the World's only form of Design Thinking for business). Alfred & Ken have refined Business Design and pioneered their version to suit the needs of government agencies and local SMEs.
